SUBJECT.

Levy of Octroi duty in the Chitaldrug Distri

(Molakalmuru)

Indexed

Countersigned

The duty on betel leaf was imposed recently on the recommendation of the President himself. (Vide his letter of the 8th March 1899, serial no. 6)

The duty of 2 pies per bundle of 100 leaves is said to press heavily upon the traders, though it is an indirect tax that falls ultimately on the consumer.

Also the present file shows that that identical rate is levied in several other Municipalities in the Chittaldrug Dt, e.g. Hosdurga (serial no. 10), and Hiriyur (serial no. 10).

It does not appear why the traders in Molakalmuru alone should have the benefit of the proposed exemption.

Submitted for orders from the Dy Comm. Draft proposal for orders herein as recently done in the recommendation of Chitaldrug, deem unadvisable. Now, however, the statistics have been called in terms of the proposal.

Enclosure No. o

Has the honor to solicit sanction to the introduction of the levy of octroi on the marginally noted articles at the rates noted against them in the Chickballapur Municipality with effect from 1st April 1899. The revenue expected to be realized from this source is estimated at Rs 100 per annum.

2 The proposed scale of this tax was based upon the consumption of articles during the year 1897-98 as ascertained from the octroi returns of the Municipality.

3 It is therefore hoped that the proposed levy will meet with the approval of Government.
